RE: ADDENDUM NO. 1 - TENDER FOR PLACEMENT OF LABORATORY EQUIPMENT. TENDER NO. KUTRRH /TNDR/G/036/PLE/2020-2022

Pursuant to Clause 2.5 on Amendment of Tender Documents, the Hospital wishes to make the following amendments/clarifications as indicated below;

1. Clarification/Amendment

We are seeking clarification on;

i. The duration of the placement-there is no indication on the number of years for placement.

ii. On section VII-Price schedule for equipment pg.37 (Bacteria & susceptibility Testing Equipment)

-Is this approximate number of tests per annum ONLY for Ast?

-What is the approximate number if test per annum for ID?

2. The number of samples per annum for COAGULOMETER –FULLY AUTOMATED are low and doesn't justify using this higher volume instrument, would you please confirm again if the sample is really per annum or per month.

Clarification;

i. The duration for placement shall be a period of five (5) years.

ii. Number of tests include both Antimicrobial Sensitivity Testing (AST) and Bacterial Identification (ID)

iii. Those are the current number of tests we are performing per annum but we expect the numbers to increase progressively as the hospital takes shape.

3. The opening date has been extended form Wednesday 10th March ,2021 to Tuesday 16th March starting at 10.00am. All interested bidders or their representatives may attend the opening.

All other terms and conditions remain unchanged

END OF TENDER ADDENDUM
